

GENERAL PERMISSION FORMS

Ohio state regulations require schools to have parental permission for items below. We must have these completed forms signed by you and in our files before school begins.

Directions for filling out the form: Enter text where shown. Click Yes or No boxes as you wish. Print out form and sign where shown. Deliver completed forms to Rainbow Steps.

Permission for Photographing Your Child

Rainbow Steps' teachers routinely take photos of students through the school year. Snapshots are used for displays, bulletin boards, labels, and for your child's memory book. We may also use the pictures on the school website or Facebook page to highlight activities in

the classroom. Children are never identified on Facebook unless parents tag their children. *(Note that we cannot control pictures or videos taken by parents at school events.)*
